Melbourne: Friday 12th February

Sydney: Wednesday 17th February

This lecture invites participants to

- ◆ Learn the skills for finding, creating and keeping a happy and long-lasting relationship.
- ◆ Discover why the qualities, which attracted you to your partner, often drive you crazy.
- ◆ Re-establish the excitement, passion and joy of your early time together.

Public Lecture: “Couplehood As A Spiritual Path”

Melbourne: Sunday 14th February

This lecture invites couples to learn how their relationship is an invitation for spiritual growth and healing.

Committed partnership can be one of the most accessible ways of experiencing God’s love, but it does not always feel that way. No matter how hard couples try, it is not always easy to “will” love unconditionally. Achieving and sustaining this kind of love requires an investment of time and energy and a willingness to transcend our usual patterns.

This lecture can shift how you feel about yourself, your partner, and the whole of your life. *Couplehood as a Spiritual Path* is a faith-centered educational program for couples developed by Harville Hendrix, Ph.D. and Helen LaKelly Hunt, Ph.D. Based on Imago principles described in the best selling book GETTING THE LOVE YOU WANT: A GUIDE FOR COUPLES, this program is designed for all committed couples who want to realize their relationship potential.
